

# Abwehran Standard Fabrication Room

A designation for a facility used to produce spare parts from base materials, the Fabrication room is now required to be next to the [cargo hold](#). Conveyor belts allow materials to be transported from the [cargo hold](#) to the Fabrication Room when necessary. The Fabrication Room is always two decks high and spans half the width of the ship and enough space in length as needed.

A [Abwehran Fire Suppression Locker](#) and a [First Aid Station](#) are located near the entrance.
