

Abwehran Standard Laundry Room

If you have to imagine a Standard Laundry Room on board a vessel, you merely have to look at a commercial laundromat and beef it up to industrial standards. A room mostly run by the caretakers of a vessel and in some vessels run all day long to complete the laundry of the entire crew.

A [Abwehran Fire Suppression Locker](#) and a [First Aid Station](#) are located near the entrance.

Personnel Requirements

Note: Personnel are listed on a per shift basis.

Total Personnel: 5 Caretakers (1 NCO and 4 Enlisted)
