

# 259 AF - Third Quarter

After the sudden end to First Contact with the [Yamatai Star Empire](#), the Third Quarter of 259 AF became a time of great upheaval. Riots broke out across the system and fear of a xenos invasion or of genocide seemed to plague the single-system polity. However, the lack of response eventually led to a feeling of abandonment. After all, it seemed to the Abwehran people that their very existence wasn't important enough to warrant diplomatic relations.

OOC NOTE: There were no Roleplay Events that occurred during this time frame due to real life issues. Thus this section has nothing of importance timeline wise.
