

Wotanu Abokatinka Poku (Clan Defense Fleet)

Above: The Crest of the Wotanu Abokatinka Poku.

The Wotanu Abokatinka Poku is the Clan Defense Fleet of the [Poku Saeruo Degonjo](#). It is also referred to with the acronyms WAP and CDF. It is charged with defending the [Poku Saeruo Degonjo Lumujo Saei \(Territory\)](#) and with assisting [allies](#).

History

Many of the traditions of the space fleets of the ancient [Qaktoro Empire](#) have been lost to time. During the [Norka \(The Exodus\)](#), numerous smaller starships acted as guardians and escorts for the huge and lumbering [Arks](#). Upon their arrival in the Hidden Sun System, these ships acted as [Seekers](#) and [Gatherers](#), hunting and scavenging within and beyond the borders of the Clan's Nebula. For hundreds of years after the settlement of [Degonjo Saeruo \(Hidden Sun System\)](#), Clan vessels went about this defense task largely autonomously, with teams forming [Hunts](#) to seek out and destroy interlopers.

It wasn't until many centuries later that the Clan found a need to reorganize its fleets. The events of the [Second Mishhuvurthyar War](#) beginning in [YE 31](#) shocked the Clan, and the [NMX](#) was taking over planets distressingly near to the Clan's territory. When the Clan struck an [alliance](#) with the [Yamatai Star Empire](#) in [YE 35](#) (754 CY), the [Tanoi \(Council\)](#) also formed the Wotanu Abokatinka Poku and charged it with its mission.

Description

The Wotanu Abokatinka a volunteer-based organization with membership open to all [Ruokai \(Houses\)](#) and [Jaeli \(Sects\)](#). In the [Lumujo Saei \(Territory\)](#) of the [Poku Saeruo Degonjo](#), incursions and invasions are dealt with swiftly and violently. Serving in the Fleet is an honorable activity.

Leadership

The Fleet falls under the control of [Legos Miaurm](#), the current [Poku Wotanu'ka \(Defender of the Clan\)](#).

Composition

Information on the composition of the Clan Defense Fleet will be found in this section. (Work in Progress)
