

# Kynkasâjo'a (Scientist)

The Kynkasâjo'a [occupation](#), synonymous with Kynismâo'a (Researcher), is a calling in the [Poku Saeruo Dagonjo](#) that comprises all scientists and academic researchers in fields of knowledge other than the religious and philosophical; those studies fall under the domain of the [Detis Goa'a \(Faith Walker\)](#) occupation. Scientists are well-respected in the Clan, and are given a great deal of latitude in their pursuits of knowledge and technical advancement. Typically, most researchers work for the [Otâmovi Wiy Jael \(Silver Moon Sect\)](#) Sect, but wealthy [families](#) have been known to fund their own research and employ their own Kynkasâjo'a. Researchers can also serve aboard starships as a kind of science officer, but they must have sufficient training in starship operations so that they are not a drain on ship's resources.
