

Weâmi Uospate (Living spaces)

The Weâmi Uospate or living spaces are one of the [Mâhoai Âdor \(Sky Harbors\)](#) facilities. Depending on the location of Sky Harbor, some will have two types of living spaces.

Living Spaces

Living spaces are typically on the outer edge of the Sky Harbor. This gives most of them a view of the surroundings and a view of the Sky Harbor. Residential living spaces are typically found in remote locations with a [Mâhoa'sa Âdor \(Small Sky Harbor\)](#). In places where a large settlement is present there is no need for residential buildings.

Residential

These are apartment style accommodations available for personnel who work in the Sky Harbor. Each apartment consists of a sleeping area, a living space, bathroom and a dining and kitchen area. Most of the apartments are single bedroom, but there is usually a number of two and three bedroom quarters. Residential facilities are provided at no cost in locations where there is no settlement available.

Transient

All Sky Harbors have accommodations for visiting people. These are called Weâmi Vakâte (Resting Places) and are commercial ventures. They offer a variety of rooms, and rates. The Sky Harbor subsidizes the Weâmi Vakâte operating expenses. See [Weâmi vakâte \(Resting Places\)](#) for more details.
