

# Ifânume Mâhoa (Harbor Security)

The Ifânume Mâhoa or Harbor Security is one of the *Mâhoai Âdor (Sky Harbors)* facilities. This facility is responsible to all security aspects of the *Mâhoai Âdor (Sky Harbors)*. This facility is located either adjacent to the *Posyte Mâhoa Âdor (Sky Harbor Control)* or beneath it if the control is elevated. Most of those serving in the Harbor Security are part of the *Tavi Fua Jael (Blood Tooth Sect) Jaeli (Sects)*. This facility is always manned even when the Sky Harbor is not open for business. Obviously the Harbor Security area is a secured facility with only authorized personnel allowed access.

Harbor Security has a main room where personnel monitor all of the harbor internal cameras. They also monitor the various security systems at doors.

There is a weapon storage facility in the security as well as a small prisoner holding area. Prisoners are only kept here until *Wytani Jyaonka (Law Enforcement)* arrives to take them into custody.

- Return to *Mâhoai Âdor (Sky Harbors)*.
