

HS-PM3-1a Wun Helpoin (Surgery Kit)

The surgery kit is used by the [Poku Saeruo Degonjo](#) to treat serious injuries which can not be healed by the [Wapointe Gean'te \(Radiant Healing\)](#) alone. This kit is for use in surgical bays in medical facilities. It provides a convenient pack of common tools that a doctor could require. They also make it easy to swap out with a new kit when a new patient is brought in during crisis events. Each kit is sealed in plastic on a plastic tray.
