

Buvolino Goge (Padded Bench)

The [Poku Saeruo Degonjo](#) Buvolino Goge (Padded Bench) is a common piece of [Poku Saeruo Degonjo](#) furniture.

Its design has remained unchanged since long before the [Norka \(The Exodus\)](#). It is typically built on a wooden frame, but metal frames are not unheard of. They have four large thick pads that are usually rectangular, though some [Poku'vonai](#) prefer circular pads. The pads are comprised of a fabric exterior filled with seeds which allows the seat to mold to the person seated on it. The pads fit into receptacles in the frame. The Buvolino Goge has no back.

The Buvolino Goge can serve as a 'bed' for extra guests. In a [Punla \(Family\)](#) setting, Baqlii (children) often will take a pad off the frame and sit or lay on it on the floor.

Sizes

The Padded Benches come in two sizes, a 3" x 8" or a 3" x 12".
