

Sengraiv

Sentulri is the twenty-first and final rank of the [Astral Vanguard](#) and the formal title for the person who holds the office of 'commander in chief' of the [Commonwealth's](#) forces. It is a prestigious position only held by a single person at any given time, and is responsible for the day to day operations of the Vanguard. Sengraiv characters receive an allowance of 8000 KD per week.

The previous rank is [Langraiv](#). For a full listing of the ranks, see [Astral Vanguard Ranks](#).
