

# LSDF Officer's Galley

Intended to provide food service for Lorath commanders, officers, and other privileged personnel, the Officer's Galley has been designed to serve only a dozen people or so at a time. This galley is equipped with various food preparation implements, including a solid fuel burning grill, and the usual Lorath cooking technologies. Food prepared in the Officer's Galley is tended to by expert cooks, and is prepared to exacting quality standards.
