

LSDF Bistro, Teahouse, and [[items:drinks:coffee]]house Facilities

Designed of something of a service to immigrants from the [United Outer Colonies](#) as well as those which may have immigrated or may be visiting from the [Yamatai Star Empire](#), a compartment design has been made available for ships and installations which provides a dining and beverage consumption venue which fits well to Yamataian and Jiyuuiian traditions, as well as incorporating [Lorath Matriarchy](#) Matriarchy native features. Bistro, teahouse, and [Coffeehouse](#) facilities are intended to provide a modest beverage consumption and dining environment. However, some teahouse compartments may be designed to provide a traditional environment in regard to Yamataian traditions. Bistro compartments often tend to favor food service however, with presentation of modest and simple fare while providing a sociable environment. [Coffee](#) houses, mainly focus on social interaction however, while also providing quality beverages in a well furnished environment, glorifying the marvel of the couch.
