

# Nepleslian Space Marine Corps

The Nepleslian Space Marine Corps or *NSMC* is the largest part of the [Star Military of the Democratic Imperium of Nepleslia](#). It is the biggest can of whoop-ass Nepleslia can deploy to any planetary surface. Every Marine is expected to be an aggressive killer who knows that nothing in the galaxy can stop him.

## History

Nepeslian marines were present in many wars on [Planet Nepleslia](#) since prior to [YE 01](#). After the Nepeslian Empire broke off from the [Yamatai Star Empire](#) in [YE 28](#), the Star Army of Nepleslia was formed. As early as [YE 29](#) (OOC: October [2006](#)), some soldiers of the SAoN were being referred to as marines instead of soldiers<sup>[1](#)</sup>. After the formation of the [Democratic Imperium of Nepleslia](#) in [YE 30](#), the marines were referred to as SMOdION (Star Military of the Democratic Imperium of Nepleslia) marines.

In [YE 33](#) (OOC: May [2011](#)), the Nepeslian military underwent major reforms and the marine organization was named the Nepeslian Space Marine Corps (NSMC) and began using the tri-color patch<sup>[2](#)</sup>.

# About the NSMC

The NSMC is commanded by Sky Marshall [Gaelan Sanders](#).

## Mission

- To shatter every man, beast, and god that threatens the sovereignty of the Nepleslian people.

## Organization

- [NSMC Organization](#)

## Identification and Markings
