

# Cadet Apprentice (Old Nepleslian Rank)

Cadet Apprentices, or Cadet Apps, are recruits who have shown themselves capable of handling themselves in the military. This is usually a first mission reward, and shows that the person with this rank is smart enough to complete their job with efficiency. Other than being a mark of professional prowess, this rank gives a character 100 DA a week.

This rank has been discontinued. See [Nepleslian Military Ranks](#).
