La'vishen is a title given to very young [Neshaten](#) Kits, and can signify the beginning point of their compulsory education, La'vishen spend several years being educated by their parents first before being sent off to a La'vishen school, or a school that possess such a division. These particular kits are often supervised by their parents and teachers, and rarely left alone.

## Skills

The following table is a list of skills that are common-place amongst La'vishen, however, unlike those in a military setting; these skills can be more openly defined by the player. Knowledge is always a required skill within the Neshaten. Players can also use the provided descriptions, or create their own.

Skill	Description
Knowledge	The kit possess only a bare minimum of language skills and knowledge, just enough to get by
Mathematics	The student knows only his/her number tables and perhaps some basic math.
Fighting	Because they are just starting to learn how to fight, most La'vishen only know how to hide and seek cover but not actually fighting.

## OOC

La'vishen is nursery and pre-school education.
