

# Tre Empire

The Tre Empire was a member of the [United Empire Forces](#). It was known for its advanced aircraft.

## OOC Notes

The Tre Empire is named after Tre. Tre was the nickname of a friend of [Wes](#) and his brother Tim during the time they were living in Naples, Italy. Before the moving shipment (containing all the toys) arrived from the United States, the kids made a large number of paper airplanes and played with those. This setting element is inspired by that.
