

Faction Will for Yamatai

Wes is the creator and owner of the [Yamatai Star Empire](#).

In the event Wes disappears (no forum logins for over a month), the faction will be managed to the next active person on this list, with the instructions to preserve Yamatai and maintain the status quo:

1. Nashoba
2. Andrew
3. Toshiro
4. Any other GM of a Star Army of Yamatai plot, in order of most time since plot start date.

If Wes returns, the faction will immediately revert to being under his control again, since he's the original creator.
