RP Description

Empress Himiko sat with Taisho Ketsurui Yui, Taisho Eikan Minato, and several high ranking officials, at a large table. She raised her hand and the quiet discussions ceased. Addressing the assembled parties, she said, "Whereas we have witnessed a deliberate and unprovoked attack on the forces of the Star Army of Yamatai working for peace on behalf of the Kodian people and the Yamatai Star Empire, and whereas allowing the Kodian people to sort out this internal conflict on their own has not been a successful strategy, and whereas the chairman of the Kodian people has requested the assistance of the Star Army of Yamatai, and whereas the attackers have promoted lies about the Star Army and insulted our honor, therefore, as our twenty-first decree, we authorize and request that the Star Army of Yamatai will declare the perpetrators the enemies of Yamatai, declare war on them, and use any and all necessary force, to eliminate them."¹⁾
