

# Land Grants

In [YE 34](#), in order to combat homelessness, increase the population, and colonize the frontiers of the [Yamatai Star Empire](#), the government began offering free and low-cost plots of land to its citizens, located on rural planets of the Empire.

## What Citizens Get

The standard plot of land is one square kilometer, in an even square.

## Responsibilities

The recipient of such land is required to:

1. Build a house on it
2. Build a shuttle landing pad
  - Minimum dimensions of 15 meters by 10 meters.
  - can be circular (15 meter diameter) or rectangular.

## Planets

Land on the following planets is available:

- [Koukotsu II](#)
- [Tami System](#)

Land on other planets may be available upon request.
