

Land Grants

In [YE 34](#), in order to combat homelessness, increase the population, and colonize the frontiers of the [Yamatai Star Empire](#), the government began offering free and low-cost plots of land to its citizens, located on rural planets of the Empire.

What Citizens Get

The standard plot of land is one square kilometer, in an even square.

Responsibilities

The recipient of such land is required to:

1. Build a house on it
2. Build a shuttle landing pad
 - Minimum dimensions of 15 meters by 10 meters.
 - can be circular (15 meter diameter) or rectangular.

Planets

Land on the following planets is available:

- [Koukotsu II](#)
- [Tami System](#)

Land on other planets may be available upon request.
