

Low Tech Relations With Planet Fenyar

Proposal #66: Proposal to keep low technological environment on [Fenyar](#) was submitted to the [Senate of Yamatai](#) in [YE 27](#) and passed 5 Yay to 1 Nay on the condition that all references to Fenyar were changed to "Low Techonology Planet" at [Hoshi no lori](#) representative's suggestion which was seconded by [Nataria](#) and [Planet Nepleslia](#).

Purpose:

1. To ensure the safety of the people of Protected Low Technology Planets.
2. To ensure the quality of life the citizens of low technology planets have come to live with.
3. To protect the citizens of low technology planets from unwanted outside interference.

Proposal:

1. Any person wishing to visit a Protected Low Technology Planet must first acquire a permit to do so from the [Yamataian government](#) stating the business and length of the trip.
2. Any person visiting the surface of a Protected Low Technology Planet must first go through a checkpoint gate on an orbiting spaceport to ensure no illegal weapons, substances, or technology is brought to the surface.
3. All persons wishing to visit a Protected Low Technology Planet I for any reason must first attend a short lecture on the customs and basic language of that planet.
 1. Above note will be voided if this is not the first trip said person has made to the surface.
4. Representatives of major organizations must make separate arrangements to meet with the leaders of the a Protected Low Technology Planet tribes, including informing the Yamataian government of the nature of said meeting.
5. All people wishing to come to a Protected Low Technology Planet, be it for recreation or business, will have the option of exchanging KS for planetary currency (coins or gems). If said person does not wish to make the exchange, they will be on their own in procuring goods and/or services. If caught begging, they can, and will, be prosecuted to the fullest extent of the law. They will be permitted to contact a representative to plead their case to the Elders of the town the offender was caught in, if they so wish.

Protected Low Technology Planets
