

# Wanted Characters

This is Star Army's central place for roleplayers, [Game Masters](#), and factions to list wanted ads for their roleplaying plots. You don't have to create a character based on only these openings, but these may be useful to help make sure your character fits into an existing RP.

NOTE: This page is still new and much needs to be added to it! For now, also check the [active plots](#) and look at the available positions on the individual plot pages. We hope to move all of those sections to here soon.
