

# Characters Wanted

This is Star Army's central place for roleplayers, [Game Masters](#), and factions to list character wanted ads for their roleplaying threads and [plots](#).

Consider [creating a character](#) based on the openings and want ads listed below, which are divided by faction. It may be useful to help make sure your character fits into an existing RP. If you don't see something you like, feel free to ask. Also note that you are not limited by these openings; they are only suggestions presented for information purposes.

You can add character wanted ads for one-on-one RPs, or RPs that haven't opened yet, on here too. Feel free to link to related forum threads like interest checks.

## Yamatai

The [Yamatai Star Empire](#) is always looking for more characters! More Yamatai-based Open RP threads are always welcome.

For information about joining the [Star Army of Yamatai](#), see [Star Army Recruiting](#).

## Current Openings & Info

- [oroichi\\_squadron](#) is currently seeking players for the following positions:
  - Infantry, lots of them! Nekovalkyrja preferred, but not required.
  - Fighter Pilots
  - A veteran player to be squad NCO.
  - If you want to be support personnel instead, the amount of screen time you'll have is much lower considering it's PA combat-focused. Contact Paladinrpg if you still are interested.
- [yss\\_aeon](#) the plot is getting ready to start a new mission as we wrap up the diplomatic one.
  - 1 [technician](#)
  - 1-2 [Infantry](#)
- [YSS Byakuren](#): As the plot requires players to be on top of their game with the intrigues involved, Fred heartily recommends that any applicant already be SARP veterans. The plotship presently does not have any starship operator to serve as helmsman, or technician to serve as engineer. Preferably, these characters should be members of the ship's bridge crew/senior staff, so being a warrant officer or commissioned officer would be preferable. Any whom wish to join should first

contact Fred via forum PMs so to see if anything could be arranged. Openings can be made between missions. Also note that admission into the plot should usually require an interview/mission brief from SAINT.

- The [YSS Eucharis](#) is seeking characters in the following fields:
  - 1 [science](#)
- [yss\\_heartbreaker](#)
  - 1 [Other Starship Operator](#)
  - 1 [Infantry](#)
  - Possibly 1 [cook](#) and/or [cargo\\_and\\_supply](#)
  - Other ideas welcome! Contact [Reynolds](#).
- [YSS Ryūjō](#) is seeking Players of every class.
- [YSS Sakishima](#) is seeking [first\\_officer](#), [technician](#) and [infantry](#).
- [YSS Sakura II](#) is whoever would like to join!
- [YSS Soyokaze](#) Is only looking for ship based crew, no more bridge bunnies. Medics, Engineers, fighter pilots, Cooks, and the like are welcomed.
- [yss\\_anoiktos](#) is recruiting. PM the GM for more info.

[Wes](#) is looking for people who want to run “standard” Star Army plots where a starship crew goes around doing missions and solving the Empire's problems. Contact him about becoming a GM.
