

Characters Wanted

This is Star Army's central place for roleplayers, [Game Masters](#), and factions to list character wanted ads for their roleplaying threads and [plots](#).

Consider [creating a character](#) based on the openings and want ads listed below, which are divided by faction. It may be useful to help make sure your character fits into an existing RP. If you don't see something you like, feel free to ask. Also note that you are not limited by these openings; they are only suggestions presented for information purposes.

You can add character wanted ads for one-on-one RPs, or RPs that haven't opened yet, on here too. Feel free to link to related forum threads like interest checks.
