Unsorted Plots

The following [plots](#) need to be added to the chart in the previous section.

ECV Raven

A crew of plucky, pun intended, elysians set out on adventures across space in a decommissioned scout ship to find the long lost secrets of Elysian history with a bit of suspense and action mixed in when possible. This plot is non military and mostly non combat, more of a survival thriller rated M.

NSMC 309th

The [309th](#) stars many marines, all part of a once elite and experienced fighting force of Nepleslia. After the group was stripped of various commanding staff, the group formed multiple platoons and divisions. Juno and his group take on friendly and foreign worlds, restoring order or upsetting balance as they try to both cut it in the grand deeps of space as they rebuild the reputation of the 309th and uphold Nepleslia's honor. Accompanying the 309th, the 78th's Aquila Flight covers the skies and stars, ensuring the effective warfare of the entire Nepleslian military.

YSS Eucharis

Famous admiral Hanako and the awesome and unique crew of the [YSS Eucharis](#) race across known space exploring worlds and getting into fights with the Empire's enemies. The [YSS Eucharis plot](#) is a long-running, newbie-friendly "classic" style plot run by the site's founder, Wes, who uses it as a vehicle to portray life in the Star Army of Yamatai and to showcase the events happening in the Yamatai Star Empire and the Star Army universe in general. Winner of the 2012 & 2014 Simulation Cups and the 2013 Tournament of Sims: Best Original Sci-Fi Sim.
