

Splooj

Splooj is not just a drink; it's an institution. This lime-flavored carbonated beverage has become synonymous with refreshment and relaxation among the personnel of the Star Army and beyond. Its distinctive green can is a common sight in the hands of soldiers and civilians alike, a small but significant comfort in the vastness of space.

Price: 0.50 KS a can

History

Introduced in the early years of [Central Uesureya](#)'s industrial boom on [planet Yamatai](#), Splooj quickly bubbled to the top of the market. Its recipe, a closely guarded secret, was the brainchild of an enigmatic flavor wizard whose name is lost to history. What began as a niche product for local consumption soon exploded in popularity, bolstered by clever marketing campaigns and its adoption by the [Star Army](#) as a staple of vending machines on bases and ships.

Description

Splooj's appeal lies in its perfect balance of tart and sweet, the zesty lime flavor cutting through the richness of carbonated euphoria. Its effervescence brings a moment of zestful bliss, a taste of home for many servicemen and women. The iconic green can, with its retro-stylized lettering and silver accents, is

designed for easy storage and quick access, able to fit into the standard-issue utility belts and rations packs.

Usage

Splooj is used in three main ways:

- **Refreshment:** Splooj is a go-to choice for quenching thirst, especially after a long shift or during a break in the action.
- **Social Drink:** Often shared among friends and colleagues, it's a beverage that brings people together, be it for a moment of camaraderie or a celebration.
- **Cultural Icon:** The drink has transcended its commercial origins to become a part of the collective identity, with its advertisements and branding a common part of both civilian and military life.

Whether it's enjoyed during a quiet moment while gazing out at the stars or chugged down during lively gatherings, Splooj remains a beloved part of daily life. It's more than just a soft drink; it's a reminder that no matter how far humanity reaches into the cosmos, the simple pleasures of a cold can of Splooj will always provide a taste of home.

OOOC Notes

Here's what you can use Splooj for in your RP:

1. **World Flavor:** Splooj adds a dash of "flavor" to the Star Army universe, providing characters with a recognizable and relatable element amidst the alien wonders.
2. **Roleplaying Tool:** It can be used as a prop for social interactions or as a casual reference to add realism to the setting.
3. **Character Quirk:** A character's preference for or aversion to Splooj can serve as a quirky trait or conversation starter.
