

Agaridan Spaceport

Agaridan is a [Frontier Starport](#) on planet [Minato](#), located between [Ichidou](#) and [Masayume](#). It is connected to the two cities by high speed rail and aircraft service.

A small town where the starport personnel live is located next to the spaceport and goes by the same name. There is a [Bravemart](#) and [Trinary Star Shipping](#) center in the town.

It is intended for the spaceport to be expanded as the planetary population expands and traffic warrants.

History

Agaridan Spaceport was built in [YE 33](#).

OOC Notes
