

# Ketsurui Academy

The Ketsurui Academy is a renowned institution that provides in-depth training on [Ketsurui Fleet Yards](#) and [Ketsurui Zaibatsu](#) technology used by the [Star Army of Yamatai](#). The Academy is located at [Ketsurui no Iori, Yamatai \(Planet\)](#).

## History

The Ketsurui Academy was established in [YE 30](#) to address the growing need for skilled personnel in the rapidly expanding Star Army. Originally focused on Engineering, the Academy later expanded its offerings to include an extensive Computer Science program in [YE 35](#).

## Description

The Ketsurui Academy campus is a state-of-the-art facility located at Ketsurui no Iori on the planet Yamatai. It features advanced classrooms, simulation rooms, laboratories, and workshops designed to provide hands-on experience for the students. The campus also includes dormitories, a cafeteria, recreational areas, and a well-equipped library.

## Transportation

The Ketsurui Academy is easily accessible via public transportation, including buses and shuttles that connect to nearby cities and transportation hubs. Once on campus, students and visitors can use the Academy's internal transportation system, which includes electric carts and walking paths, to navigate the sprawling grounds.

## People

The Ketsurui Academy is home to a diverse mix of students, faculty, and staff who are dedicated to advancing their knowledge and skills in various fields related to the Star Army. The Academy prides itself on attracting top talent from across the galaxy, creating a rich learning environment that fosters innovation and collaboration.

## Characters

Here's an automatic list of all characters currently in this place (based on structured data from their character pages).

Nothing found

## RP Opportunities

Characters visiting or studying at the Ketsurui Academy have a variety of opportunities to engage in roleplay, including:

- Attending classes and participating in hands-on workshops
- Collaborating on research projects with fellow students and faculty
- Exploring the campus and discovering its many hidden gems
- Participating in extracurricular activities, such as clubs and social events
- Networking with other characters who share similar interests and goals

## Local Rumors

- It is said that there is a secret research lab hidden somewhere on campus, where cutting-edge technology is being developed.
- Some students claim to have seen ghostly apparitions late at night in the older sections of the Academy.
- Rumors circulate that a powerful artifact, lost for centuries, was recently discovered on an off-world expedition led by an Academy professor.

## Items

- Advanced training materials and resources related to Engineering, Science, and Computer Science
- Unique and experimental technology prototypes, accessible only to select students and faculty
- A collection of rare and valuable books, manuscripts, and artifacts: The Academy's library houses a vast collection of rare and valuable items, offering unique insights into the history and development of various fields of study.
- State-of-the-art laboratories and workshops: Equipped with the latest tools and equipment, these facilities provide students and faculty with the resources they need to conduct experiments, build prototypes, and develop new technologies.
- An extensive network of industry connections: The Ketsurui Academy maintains strong ties with major corporations and research institutions, offering students access to internships, job placements, and collaborative research projects.

## OOC Notes

If you are looking to create a character who is a graduate of the Ketsurui Academy, please consult with the game master or other players for approval and guidance on how to incorporate the Academy into your character's backstory.
