

Port Xenn

Port Xenn was a port situated on the northern edge of Ash Bay, Yamatai. An old city, it is named after a famous space explorer.

It had a furniture store, an open air market and there's also Hood's Realty Agency. It was also home to a Star Army garrison, and was the closest large city to [Xenedine Corporation](#).

The city was flattened by a tsunami during the [Battle of Yamatai](#) in [YE 33](#), when huge chunks of the planet's orbital ring fell into the ocean nearby.

Firefighters were sent from [Black Sands Test Range](#) to help.

There were reports of thieves operating in Port Xenn after the bombardment.

The city began rebuilding efforts in [YE 35](#).

In [YE 38](#), [Trinary Star Shipping](#) established a storefront in Port Xenn.

[Kikyo Pie Company](#) opened in Port Xenn in [YE 41](#).

Jerry's Furniture

A place to buy furniture in Port Xenn. It's run by an older gentleman and his family, and is one of the oldest businesses on Yamatai.
