

# Shinjuku Market District

The Shinjuku Market District is the new primary commercial area on [Hanako's World](#). Built in [YE 35](#), hopes to eventually compete with [Kyoto](#), [Yamatai](#) and [gunther\\_shopping\\_center](#) to be the [SARPIverse's](#) greatest shopping district.

It is divided into two major sections: the **restaurants** and the **shops**, and is also full of **street vendors**. The buildings are built in a historic-inspired style with decorative carved stone and brick facades. In [YE 36](#), [Shinjuku Starport](#) was built next to the market district, placing the centers of transportation and commerce next to each other for maximum convenience.

Got a shop idea? See the [Guide To Being a Merchant in Star Army](#).

## Transportation

The newly-constructed [Shinjuku Starport](#) is located at one end of the market district, meaning travelers have immediate walking access to cars, trains, and starships. See the starport's page for details on travel destinations.

## Tourist Attractions

Starting in [YE 37](#), the Shinjuku Market District expanded beyond just shops and began looking into tourist attractions to give people unique reasons to visit. The first of these was the Hanako Military Museum.

1. [Hanako Military Museum](#) - A showcase of military collectibles owned by celebrity admiral Hanako.

## Restaurant Section

These places to get [food](#) are clustered together within the market district. Most restaurants here are in two-story buildings with large glass windows in front.

2. [Kikyo Pie Company](#), a pizza chain opened in [YE 41](#)
3. [Meat On A Stick](#), a fast food meat chain
4. [Ramen To Go](#), a noodle chain
5. [Sam's Island](#) is a pristine bar known for its huge wine and rum selection, island-themed decor, coconut shrimp, and hibachi grill shows.
6. [Sea Of Plenty](#), a cheap sushi chain
7. [The Admiral's Grill](#), a steakhouse known for its Nepleslian bourbon and delicious filet mignon.
8. The Golden Tabernacle, a [Coffee](#) bar known for its great [Coffee](#) and computers embedded into every table.
9. [VCE Cafe](#), an internet lounge with a [Pizza](#) shop
10. [Warm and Sweet](#), a government-operated chain [Coffeehouse](#)
