

# Ternifac

Ternifac is a city on [Yamatai \(Planet\)](#). It is part of Xiuluria Prefecture and sits at the border with the Jhuniata Prefecture and the Jhuniata Desert. Among other claims to fame, it's home of the Ternifac Cheese-steak, which is SARP's equivalent of a Philly.

## History

In [YE 34](#), 40,000 refugees stayed in Ternifac while waiting on reconstruction of [Malifar](#) following the [Battle of Yamatai](#) in [YE 33](#). The Ternifac Municipal Council housed them, as well as those from Jskita, until reconstruction efforts were complete<sup>1)</sup>. At that time, Senator Abraham Yamashita joined the [Senate of Yamatai](#) after 12 years in Ternifac's Municipal Council<sup>2)</sup>.

In late [YE 42](#), [Gabriela Lively](#), [Dr. Poppy Pink](#), [Agrippina Rossa](#), [Miriam Norita](#), and many others stopped in Ternifac and visited the bar there<sup>3)</sup>.

In [YE 45.8](#), many crew members from the [YSS Resurgence](#) returned to celebrate [Dr. Poppy Pink](#) becoming a doctor and an officer, including Poppy, [Gabriela Lively](#), [Pidole Henitot](#), and [Sanda Hoshi](#)<sup>4)</sup>.

## Description

Ternifac has a large population of [Nepleslian humans](#) and is built in the Nepleslian style, which is basically described as high-concrete urban cyberpunk.

Ternifac has a fair amount of [On'nin Ikemen](#) - 隠人イケ面 activity that takes advantage of the distance from the central government as well as one of Yamatai's highest crime rates. It's become known as a place one can stop at during a trainride to Beach Party<sup>5)</sup> at Malifar for carnal pleasures, drugs, and items not easily acquired through regular channels. It has many “body shops” for purchasing new physical bodies and cybernetic enhancements.

[Irchaet](#) is the barmaid at the bar across from the rail station, which is called the *Thirst Trap*. There is a ramen shop next to it and a tunnel to the red-light district. The streets are lit with volumetric and neon signs.

Ternifac has at least one team for a mecha (giant robot) combat league. Their [Aerial Football](#) team is called “The Ternifac Terror.”

Ternifac is the home of the [Yamatai Defeat! Hunger Fund](#).

Ternifac is rich in art. Common art pieces include finely carved head and body figurines of various Ketsurui Nekoalkyrja, stylized oriental landscapes, and classical music.

## Transportation

Ternifac is on a major rail line:

- to the West is Dasulim and then [Winsonville](#) (use for [Uesureyan Fields](#), [Kyoto](#), etc)

About half the population is [Nepleslian](#) and a lot of the city is culturally Nepleslian, representing traditional values from long before Yamatai was established. A lot of tourists briefly pass through Ternifac.
