

4th Fleet Store

The store is an outlet at [4th Fleet](#) HQ that provides all [SMDION](#) personnel with the opportunity to purchase non-standard items such as luxury goods or gifts. It is also accessible via any standard military communications network. The Fleet Store also maintains a small selection of non-standard weaponry and equipment that can be loaned out to military personnel. All sales are final. Proceeds go to a pool to purchase more equipment and items. In addition, if the Fleet Store does not possess an item, personnel may request a special order. An estimate will be given to the purchaser before finalization of the special order.

Equipment Purchase Policy

Weapons and military equipment sold by the store are non-standard and not part of the regular SMDION supply chain. The store sells them in an “as is” condition and it is up to the purchaser to maintain or repair any defects. No warranty is provided and all sales are final.
