

Precinct House

<WRAP center round important 60%> This article is a work in progress; It is currently not approved as canon. </WRAP>

Thanks for creating a wiki article, gallant! This is the generic template for new wiki articles.

This page will be created in the **plot:scythe** namespace.

More about Precinct House

For information about wiki formatting, click the [Formatting Syntax](#) link above this edit area.

- Remember to use the **Preview** button to preview your page before saving.
- This helps avoid making useless saved versions of the page.
- Also remember the wiki automatically saves your work every so often.

OOC Notes
