Plot Overview

Zenjinkaze specializes in educating students who show skill and interest in [Martial Arts](#), with an emphasis on styles that take full advantage of the unique abilities of [Nekovalkyrja](#). The school also specializes in educating the growing [NH-33Y \(Youngling\)](#) population, working within the [Neko Academy](#) guidelines.

History

Zenjinkaze Fighting High School (known locally as "The Big Z") is an Upper Secondary school located in Ward 5 of [Tsubomi](#) on [Yamatai \(Planet\)](#). It began operation in [YE 37](#) as the relative peace and influx of refugees following the end of the [Second Mishhuvurthyar War](#) increased the need for schools that could cater to the unique needs of Yamatai's incredibly varied inhabitants.

In [YE 40](#) the latest class of students were treated to a (mandatory) field trip, organized by the school Principal. They were accompanied by two teachers for a night of [Love And Wrestling](#).

Zenjinkaichi Budokai

This competition is generally held once each semester. During the first half of the school year, a tournament is held featuring the new first year students. During the second half, an open tournament is held.
