History

After their involvement in a series of encounters ending in a micro civil-war on the Kuznyetski planet of Svodog, a group of marines are recruited into the Illustrious *Blackguard*; A unit of exceptional soldiers who, each having accomplished extraordinary deeds, being in possession of incredible skill, or just being considered some of the luckiest to have survived such encounters¹⁾...

History will continue as is performed!

NSS Big Deal

Originally launched as the NSS Anemone; One of the *Big Four* named [jackdaw class corvettes](#) once under the command of [Lysander Calloway](#) during the war on [New Bernese](#), The Anemone was lost with all hands durring the [Kuvexian War](#) only to be recovered and rebuilt on [Svodog](#) in [YE 44](#) and relaunched that same year with a number of updates such as a new [Checkmate Aether Reactor](#), and [Twinmaker](#) cloning vats where it was Contentiously renamed by it's new haughty captain, *Dirk Maximus*, the dwarfism-suffering but larger-than-life hard-charging ship commander of the vessel.

Weapon Upgrades

The BIG DEAL has been modernized to carry alongside its curbstomper torpedoes a number of Suplex Cruise Missiles that have had one of the curbstomper torpedo tubes modified to take the larger ordinance.

See [NAM 'Suplex' Joint Strike Cruise Missile JScM-01a](#)

- Amount: One torpedo tube
- Primary Purpose: Anti-ship
- Damage: T-11
- Range: 23,383,811 kilometers.

For vehicles the BIG DEAL has traded its Maximus tanks for room to hold a [Corona Heavy Gunship](#), and a [Variable Turret Infantry Fighting Vehicle](#) and [Coyote Light Tank](#) replacing the two maximus.
