

ECS Civetta di Cielo

ECS Civetta di Cielo was a [Concordia-class Scout Ship](#) built at [Veritas Shipyards](#) in YE 30 for the [Peripolo Fleet](#). She was commanded by [Duplicari Ariel Remora](#).

Overview

The *Civetta di Cielo* was a scout vessel, lightly armed and lightly armored - but equipped with a king's ransom of sensors, and very agile. As a part of the [Peripolo Fleet](#), her primary goal was exploration. *Civetta* roleplay will be a combination of SP and JP, the pace will ideally be moderate to fast. Ideally there will be at least one plot JP per week, with more as time allows. Between JPs, all members are expected to continue by SP unless otherwise indicated. The [Game Master](#) is [Orion](#).

Latest News

The *ECS Civetta di Cielo* was newly christened, awaiting launch on its maiden mission. Currently, the *Civetta* was located at [Elysia Novus](#), taking on its crew and preparing for launch.

Missions of the ECS Civetta di Cielo

Mission 1

Goal: The crew of the *ECS Civetta di Cielo* are to investigate the detected alien artifact on the fourth

planet in the system EX-1 (Keren). As the world is to be the site of a mining colony, the Civetta's crew is also to assist the colonization effort wherever needed.
