

Star Army Recruiting & Personnel RP

Our Star Army Personnel meta-plot shows the in-character efforts of the [Star Army Personnel Command](#) as told from various perspectives: It shows the leadership ([Hanako](#)) at the top and also the grunt work at the bottom (the [recruiting](#) center at the [Uesureyan Fortress](#) in [Kyoto](#)). The meta-plot is a “feeder plot” meant to help players develop their characters and then pass them on to permanent RP plots. It is run by [GM Wes](#).

This plot's YE 42 thread was voted Best Individual Post of 2020 by Star Army's members¹.
