Additional Information

I have some skill in DOGA, however I do not by any means consider myself great or even a master with the tool, and have been trying to find time/means to learn more advanced and capable programs. In addition, I've had 6 months service USAF, prior to entry level separation.

Characters Wanted	Looking for a few (2-4) more rangers. We've enough Infantry to cover activity there, and enough support crew to handle those roles.
