

# Random Tavern Generator

This generator will produce a description for a random tavern, bar, or cantina for the Star Army setting. Don't take it super seriously!

## Result

Smoking Critter is a hidden dimly lit concrete bunker famous for its huge wine selection and live rock bands. Inside there are fresh flowers on every table and you spot an expensive doxy.

The bartender is a young Lorath female with hazel eyes and brown hair. Near the barkeep is a tube of Heatlube Personal.
