

# Penny eater

Older [Nekovalkyrja](#) were capable of creating objects from their hemosynthesis capability, limited on the amount of blood in their body. A penny eater was the slang term for a [NH-7 Nekovalkyrja](#) that primarily ate metal objects to later reform the metals in their body to create metal objects with their hemosynthesis.

The insane [Nekovalkyrja Eve](#) was known to create metal scythes with her hemosynthesis so she could travel unencumbered and fully hidden through crowds.
