

# Cosmos Star Fortress

Cosmos Star Fortress, NK-X1-08, was a [Zodiac-Class Star Fortress](#) that served in the [Star Army of Yamatai](#) from [YE 30](#) to [YE 42](#) when it was destroyed in the [Kuvexian Advance of YE 42](#).

## History

Cosmos Star Fortress was constructed in [YE 30](#) and stationed at [Scrapyard System](#) (called UX-12 at that time), one of the [UX Series Star Systems](#) and gateway to the [Ketsurui Military Sector](#)<sup>1)</sup>. It was part of the [Star Army of Yamatai's First Expeditionary Fleet](#) and was commanded by [Chujo Hamada Nori](#).

In [YE 30](#) [YSS Senbu](#) launched from Cosmos Star Fortress on its maiden voyage<sup>2)</sup>. Also that year, [YSS Eucharis](#) passed by Cosmos during Mission 5<sup>3)</sup>. [YSS Adventure](#) stopped at Cosmos<sup>4)</sup>. A [Ke-M2-1H "Mindy" Power Armor](#) was shipped through Cosmos to the [YSS Nadare](#)<sup>5)</sup>.

In [YE 31](#), during the [Second Mishhuvurthyar War](#), Cosmos Star Fortress was attacked by the [NMX](#)<sup>6)</sup>. The station suffered extremely heavy damage and had to be abandoned and left as wreckage.

As the war shifted in Yamatai's favor, the station was eventually reclaimed and repaired to working order.

In [YE 36](#), Cosmos became part of the [PAINT](#) public transportation system. A [Tenba](#) regularly visited and provided passenger flights to [Shinjuku Starport](#) on [Hanako's World](#).

In [YE 38](#), the [Kuvexian War](#) began.

In [YE 40](#), [Scrapyard System](#) was targeted by the [Kuvexian Military](#) as part of a multi-pronged invasion. The [YSS Sakura II](#) led the [Third Squadron](#) in assisting Cosmos in the defense of the system<sup>7)</sup>.

In [YE 41](#), [Gwendolyn Queen](#) was assigned as the station's communications secretary.

Also in [YE 41](#), the [YSS Sakishima](#) regrouped at Cosmos Star Fortress<sup>8)</sup> after the fall of [Hanako's Star](#). A [Kikyo Pie Company](#) opened on the station that year.

In [YE 42](#), the [Kuvexian Military](#) invaded [Scrapyard System](#)<sup>9)</sup>, bringing Cosmos Star Fortress into battle. It fought hard and took many Kuvexian ships with it, as well as working to destroy Star Army assets so they could not be captured. Cosmos was nearly destroyed in battle once again and, fearing the Kuvexians would try to capture the station, Chujo Hamada ordered all hands to abandon ships and then personally activated the self-destruct<sup>10)</sup>.

## On-Base Food and Drink Options

Options for food and drink on this base.

## Tokyo Brewing Company BrewPub

This [Star Army Bases](#) has an on-site vetted employee location of the [Tokyo Brewing Company](#). It is a BrewPub location and its current menu is the [Tokyo Brewing Company BrewPub Menu \(YE 43\)](#). The location opened in [YE 43](#).

## Kikyo Pie Company

This [Star Army Bases](#) has an on-site vetted employee location of the [Kikyo Pie Company](#). They offer delivery anywhere on base.
