

Sagittarius Star Fortress

Sagittarius Star Fortress was a [Zodiac-Class Star Fortress](#) operated by the [Star Army of Yamatai](#).

History

Sagittarius Star Fortress was built at [Hoshi no Iori](#) in [YE 29](#) (OOC: January 8, [2007](#)). It was ordered at the same time as its sister stations [Pisces Station](#), [Aries Star Fortress](#), [Cancer Star Fortress](#), and [Virgo Star Fortress](#). It was originally stationed [ushobrakflug_old](#) to serve as the center for a major border defense network.

Sagittarius was destroyed by a YE 29 offensive by the [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#) forces led by [Melisson^{1\)}](#).

After the end of the war, the wreck of the station was rebuilt.

Unfortunately, Sagittarius was destroyed again in the [Xyainbor system](#) in the [Second Mishhuvurthyar War](#).

OOC Notes

This page was originally created on 2020/02/19 21:35 by [Wes](#).

Note: I couldn't find the actual RP of the station getting destroyed so I made a best guess based on plot plan discussions. -Wes
