

Ke-P5-08 - POM Standard Platform

The POM Standard Platform is a component of the [Type 33 Prefab Outpost Modules](#). It became available in [YE 33](#).

About the Ke-P5-08

This is one of the basic building blocks for the [Type 33 Prefab Outpost Modules](#). The Platform covers the ground providing a stable, durable surface for the soldiers. The platform also provides a way to safely route power and data/communications wiring to for the other modules. The platforms are small so that they can be easily replaced if damaged.
