

Star Army Sofa, Type 39

The Type 39 Sofa is a style of sofa (couch) manufactured by [Ketsurui Zaibatsu](#) and used by the [Star Army of Yamatai](#) beginning in [YE 39](#). It is used in Star Army and other government facilities throughout the [Yamatai Star Empire](#).

The Type 39 Sofa comfortably accommodates up to four seated humanoids or one humanoid laying down.

It is valued at 500 KS (new) and is available from [Star Army Logistics](#).

History

The Star Army selected and adopted an existing civilian sofa (couch) design for use in [YE 39](#). [Ketsurui Zaibatsu](#) was contracted to mass-produce the sofa.

Design

The Type 39 Sofa has a modern design with angular features, a solid back, and three cushions. It has a reinforced wooden frame and feet, comfortable fabric or bonded leather exterior, and high-resilience foam and polyester fibers. The sofa is available in a variety of standard colors, including red, white, [Star Army Regal Blue](#), and buff as well as some custom colors like teal, which can be ordered to match a starship or building's color scheme.

The sofa's feet can be removed for transport.

Usage

On starships the feet are bolted to the floor to keep the couch in place.

The Type 39 Sofa is is typically issued with a throw pillow with a [Star Army Hinomaru](#) design.

Do not sit in direct contact with the sofa while completely naked.

The couch can be cleaned with a vacuum or damp washcloth. For stains, use approved Star Army fabric cleaning fluid (see [Star Army Chemicals](#)).
