

Former 1XF Star Fortresses and Shipyards

Ships are built at the Star Fortresses by [Ketsurui Fleet Yards](#).

For starships currently being built, see [Star Army Starships Under Construction](#).

Shipyard Locations

1. [Cosmos Star Fortress](#)
2. [Gemini Star Fortress](#)
3. [Ketsurui Star Fortress](#)

Special Programs

1XF Starship Improvement Program

The 1XF Starship Improvement Program identifies and corrects faults in older starship designs, as well as implementing new technologies to increase ship capabilities.

1XF Starship Refit Program

The 1XF Starship Refit Program primarily deals with taking older starships from the fleet and depot and bringing them up to standard by outfitting them with the latest improvements developed by the Starship Improvement Program.
