

# 4SF Standard Defense System

In [YE 32](#) during the [Second Mishhuvurthyar War](#) the [Fourth Fleet](#) established a standard defense force for the systems under its control within the [Bard Cluster](#) that do not have a star fortress.

## Defense Squadron

- Two squadrons of [Plumeria Gunships](#) which deploy and maintains a network of:
  - 20 [Star Army FTL Sensor Drones](#)
- One [Ikoi-Class Light Starbase](#) to maintain and support the Gunships

## "Guriddo" Defense System

In [YE 32](#) the [Fourth Fleet](#) began deploying a ["Guriddo" Defense System](#) to augment the planetary defenses. During periods of heightened alert status, the grid will be deployed at .5 AU around the planet; all other times it will be deployed at .25 AU.

The standard deployment contains the following:

- Twenty [Ke-H5-W3200 "Kyouheki" Defense Platforms](#) each typically controlling four [Ke-H5-M3200 "Nesuto" Docking Platforms](#)
  - Ten [Ke-H5-M3200 "Nesuto" Docking Platforms](#) each with eighteen [Ke-H5-W3201 "Suzumebachi" Attack Drones](#)
    - One-hundred and eighty [Ke-H5-W3201 "Suzumebachi" Attack Drones](#)

## Fleet Strength Data

Each defense force counts as twenty-four ships towards overall fleet strength
