

Star Army Common Skills

While soldiers of the [Star Army of Yamatai](#) have varying [occupations](#), they all share basic training on fundamental soldiering skills.

Skill Descriptions

All Star Army soldiers, regardless of their occupation, will automatically have certain skills, since training is mandatory and soldiers are periodically tested. Any soldier that does not meet the Star Army's strict standards will be disqualified and ejected from service. Your character's skills must include the following:

- **Communication:** Your character is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. Your character is fluent in [Trade \(language\)](#) and (optionally) [Yamataigo \(邪馬台語\)](#). She can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.
- **Fighting:** Your character received hand-to-hand combat training, followed up with a rigorous training program. She is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons she is trained in include energy pistols, knives, and power armor.
- **Technology Operation:** Your character is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. She is proficient in entering and/or searching for information.
- **Mathematics:** Your character received basic mathematics training, to including up to algebra and trigonometry.
- *Add any job-related skill areas you need, such as medical skill for medic characters.*

If you wish to, you can write out your own skill descriptions instead of linking to this page. If you do, please write the skill area descriptions in your own words instead of copying the above text.
