

# YSS Aeon - Away Missions

This page provides standard guidance for [YSS Aeon](#) crew members deploying on away teams.

## Deployment

- First officer will normally lead away mission, unless the Captain designates another individual.  
(Generally the Captain will remain on ship.)
- Away team leader will determine equipment required, eg, [Army Multi-Species Environmental Suit \(AMES\)](#), power armor, etc.
- All away team members must carry a [Star Army Communicator, Type 29](#), unless in a power armor.
- Away team leaders should report in to the ship at regular intervals.
- Away teams should be monitored from the ship, checking sensor data and updates.

## Upon return

1. Decontamination procedures must be observed when returning from a foreign environment.
2. All used equipment should be cleaned and inspected before use again.
