

YSS Aeon - Preparedness

This page provides standard guidance for [YSS Aeon](#) crew members to maintain preparedness.

- Each soldier is expected to maintain assigned equipment and duty stations in excellent condition at all times.
- All hatches should be kept sealed and keep items secure. Any objects not in use should be stowed away.
- Damage control stations should be routinely inspected and kept fully stocked.
- Sufficient spare parts and redundant systems should be kept for systems when possible, notify [First Officer](#) or [Supply officer](#) when parts are consumed.
- Ship systems should be regularly inspected and tested.
- Blast shutters, doors, and hatches must remain unobstructed at all times.
- Additional remedial training will be conducted on:
 - Damage control procedures
 - First aid
 - Firefighting
 - Self-defense
 - Survival
 - Zero gravity, and
 - other [Star Army Common Skills](#).
