Posting Rules

1. All members of the plot are expected to post as often as the plot permits...
2. ...and at least once every three days. Do not wait on another player to post for more than 3 days.
3. If a member is going to be absent or cannot post as often as required, he/she should contact the GM beforehand.
4. Players who have not posted in more than 3 days may have their characters' actions posted by the GM to keep the plot moving.
5. Players who have not posted in more than 7 days, without any notice to the GM, may be removed from the RP.
6. When the GM sends out player surveys, responding in a timely manner increases your character's chances of being promoted. Failure to respond is the opposite. Participate! Survey answers help the GM guide the plot and improve RP!
7. Keep the Setting at a max of Rated R, no descriptions of sex for example. Violence is fine just don't let it get too descriptive... No blood on the camera :P
